STATE CHAMPIONS '72, '03, '05, '06, '10

## Hoover High School Wrestling Presents

### Summer Slam at Hoover High School

**June 24-25**

**Location:** Hoover High School (1000 Buccaneer Drive)

**Teams:** Up to 20 Teams. Each team will provide one table worker (timer / flip score) for each dual. It can be one of your wrestlers. Winning team will turn in scorebook/score to head table after the dual. Ties will be settled by total points in round robin rounds.

**Format:** Two pools with round robin duals and one crossover match.

**Weigh-Ins:** Weigh your guys in on Thursday and print out 8-10 copies of your lineup. I can provide a scale and make copies if needed. You will exchange those with your opponents before the duals. Standard weights +3. 106 = 109. Please be honest here so no one gets hurt! On your lineup list, we don't need actual weights, just list names at 106 – Hwt. List all your extras and we will shop them out to the House Teams first, then to any team with a hole. We will try to get all extras in a lineup somewhere so there will be no need for exhibition matches.
